## Answer to last week:

### Can You Find the 16 Books of the Bible in this Paragraph

I once made a **remark** about the hidden books of the Bible. It was a **lulu**. **Kept** people **looking** so hard for **facts** and for others it was a **revelation**. Some were in **jam**, **es**pecially since the names of the books were not capitalized. But the **truth** finally struck home to **numbers** of readers. To others it was a real **job**. We want it to be a **most** fascinating few moments for you. **YES, THERE WILL BE SOME REALLY EASY ONES TO SPOT**. Others may require **judges** to help them. I will quickly admit **it** usually takes a minister to find one of them and there will be loud **lamentations** when it is found. A little lady says **she brews** a cup of tea so she can concentrate better. See how well you can **compete**. Relax now, for there are really sixteen names of books of the Bible in this paragraph.

**Bible Incomplete:** Fill in the missing letters to complete the passage.

Solution next week!
