News and Notes

A special thanks to everyone who helped with this year's Free Market!! A special thanks to Mary & Faith Ann Lough for all the hard work organizing and getting things set up for yesterday's event. Many families were blessed with gifts to share with their children for Christmas!

All those who would be interested in going through a Financial Peace University Class in 2016, please see Kevin. We did this class a couple of years ago and it was very successful. We'd simply like to see who would be interested in either repeating the class or taking it for the first time. Questions: see Kevin.

The Whitehall church will be purchasing the "War Room" DVD to show here at the church building sometime in the near future. Because prayer is what we're currently discussing, we would like to have auditorium class studies on Wednesday evening once everyone has had the chance to view the movie. More info to come soon.

Welcome!
