

Thank You, Thank You, Thank You!!

We would like to take this opportunity to thank all of you that played a part in helping with this year's Vacation Bible School. It was an amazing week!

First of all, we would like to thank the Elders of this congregation for allowing the use of funds for this week. We are not going to try and name everyone that participated because we will surely miss someone. Thank you to those who helped with the mailing of invitations, those who went out door knocking to invite folks, those who worked registration tables, those who decorated, the ladies who worked in the kitchen preparing and serving the snacks, to Linda Huber and Joan Perry for their job of shopping for all of the food, to all who helped with the Adult snacks, to all the helpers that took the groups to the different activities, to all who helped with activities, games, crafts and Bible stories, to those who lead singing, to Logan Hayhurst for playing his role of the robot, to Kevin and Mary for organizing this event, for those who organized the picnic and the many people who helped clean up every day. Without each and every one of you this could not have happened and we thank you for all of your hard work!

There were many families from the Nursery School that attended and several from years past that came as well. We had many visitors from the community here also. It was a great week!

Thanks again to ALL who made this week such a success and lots of fun for everyone!

Good Morning & Welcome!

Prayer Requests

♥Dave Shelton (a friend of Curt & Joan McDaniel) experienced yet another stroke. Currently Dave is in Ruby hospital. They request NO visitors. A team of doctors is evaluating his condition.

♥Kaylyn Lipscomb has been re-admitted to Pittsburgh's Presbyterian Hospital. Kaylyn has a bed sore the doctors are concerned about.

♥Please continue to pray for Darrell & Doris Freeman. Darrell was admitted to Ruby Hospital after suffering from four (4) strokes which occurred simultaneously. Visitors are limited to immediate family at this time.

♥Mary Smallwood asks that we keep her sister (Sherri Crane) in our prayers as she deals with health issues.

♥Continue to pray for the Jackson Cole family. Jackson was the little boy who fell into a swimming pool and was under water for 6 minutes. Doctors determined there was no brain activity and so Jackson's life support was removed this past week.
